## 2008 Legislative Session Survey

Dear neighbors,

Listening to you is a huge part of my job. Whenever I talk to a citizen -- on the phone or in the grocery store -- I learn something.

So I hope you take a second to tell me what you think. I read every response that gets sent back to me, especially ones with handwritten comments.

After the House and Senate adjourn, I'll send a second newsletter to keep you informed about the biggest things that happened and how it'll affect our families in the 44th District.

If you have any questions or ideas, you can reach me anytime with the toll-free Hotline (800-562-6000), by e-mail ([dunshee.hans@leg.wa.gov](mailto:dunshee.hans@leg.wa.gov)) or by regular mail.

Thank you again for taking the time to read this. I hope to hear from you and I wish your family the best for 2008.

Sincerely,

**Representative  
Hans Dunshee**

## What should we do about global warming?

- Switch to clean power and renewable fuel
- Prepare for the worst, because it's too late to stop it
- Do nothing. Global warming is a liberal myth.

**There's a practice of killing coyotes and foxes with dogs, sometimes in fenced "fox pens." This is different from using dogs to track and tree cougars. What should we do about fox pens?**

- Ban fox pens and similar blood sports.
- Don't ban it. This is a tradition.

## Was your family affected by the December storm?

- ☐ Yes ☐ No

### What was the worst part of the storm?

- Lack of power
- Floods
- Traffic

## Now that voters rejected Proposition 1, what should we do about traffic?

- Run a new transit-highways package.
- Just build more trains and mass transit
- Just build more highways
